

Dibble Optical Supplies Ltd
Frames Supplied On Approval

At our absolute discretion a maximum of three frames can be supplied on approval per delivery address and will be invoiced by us at the time of despatch. Frames that have been ordered on approval that are not to be retained must be returned carriage paid to Dibble Optical Supplies Ltd including a copy of the invoice number within 14 days.

If the product is returned then the original invoice value for the goods will be credited, less a £3.50 stock return charge per invoice. If part of the selection is retained then no stock return charge will be levied.

If the product is not returned within 14 days or in its original packaging, and accompanied by the invoice number, then a stock return charge of 25% will be levied. Products returned on approval will not be accepted unless returned in their original pristine condition together with all accessories and unmarked packaging.

Frames supplied on approval will not be accepted for return after a 30 day period has elapsed unless they are returned for exchange as the result of a manufacturing defect.

The standard Terms & Conditions of Dibble Optical Supplies Ltd apply.
